

ADS-B AD HOC Meeting, 7 March 2102 (Cuba, Jamaica, Mexico & U.S.)

- Follow up to ICAO/FAA ADS-B Workshop (Mexico City 6-8 December 2011)
- Earlier this year ICAO provided workshop participants with copies of FAA documents to review, including the Final Rule for ADS-B Out Performance.
- States are interested in collaboration with regards to data collection, particularly where States have FIR boundaries with each other
- Next Steps
 - States to review ICAO/FAA ADS-B guidance/documents
 - ICAO/FAA to provide more details on what fields needed to be collected as a minimum for data analysis
 - ICAO/FAA to schedule follow up teleconference
