SAFETY

NO COUNTRY LEFT BEHIND

# Welcome

## Purpose of the Event

- ✈ Promote the Safety Management Systems (SMS) implementation among Air Navigation Service Providers (ANSPs).
- ✈ Support the development of acceptance and supervision programmes of ANSPs SMSs by Civil Aviation Authorities of the Region, as part of their SSP.

# Schedule

17-July-2018 Day One	18-July-2018 Day Two	19-July-2018 Day Three
ICAO Requirements for SSP and SMS implementation for ANSPs	Implementation of inspection/supervision programmes and safety evaluation in ATS	Work Groups
SMS Implementation Planning	Presentations from the States and/or service providers	Work Group Presentations
SMS Acceptance for ANSPs		Workshop Conclusions
Safety Performance Measurement for ANSPs	Work Groups	Closing

## Expected Outcomes

- ✈ Establish direct contact with key safety personnel for ANS in the Regions.
- ✈ Identify main challenges for SMS implementation and acceptance in the Region.
- ✈ Provide regionally tailored guidance.
- ✈ Share available resources to support regional implementation.
- ✈ Concrete support for SMS implementation and acceptance.
- ✈ First step for a regional performance measurement in ANS provision.

## Final Comments

- ✈ Please, be open.
- ✈ Comparison is not always a good strategy.
- ✈ One size does not fit all.
- ✈ Collaboration is key for success.
- ✈ This is part of a wider ICAO NACC Assistance Programme.
