Dear Sir/Madam,

Following the NACC Ministerial Meeting in October 2020, and considering the updates by the ICAO Council Aviation Recovery Taskforce (CART) to the aviation recovery measures phase II, to the CART *Take off* Document, and the latest discussion on the vaccine transportation and certification, I wish to invite you to an informative virtual meeting and briefing session, with the participation of the Secretary General of ICAO, and an estimated duration of 1h 30 min. The current status of ICAO Standards and Recommended Practices (SARPs) related to the COVID-19 pandemic situation, the restart and sustainability of aviation and what 2021 will bring be discussed.

The agenda, as well as the respective documentation, will be placed at the following webpage shortly:

<https://icao.int/NACC/Pages/meetings-2020-DG5RDVConf.aspx>

I look forward to the participation of the Directors General, and to exchanging ideas on these updates, which main goal is an orderly, timely and consistent implementation of the aforementioned measures for a systemic, sustainable and coordinated aviation restart/recovery.
