Once registered, Zoom will generate a unique connection link for the registered participant and he/she will receive a confirmation email from Zoom containing information about joining the Meeting; please note that the connection link is unique to the registered participant and cannot be shared with other users. **Please ensure to save this message, as you will need it to connect to the event.** Furthermore, please consider that you have to be signed into your Zoom account in order to enter the event. It is important to consider that a lot of servers block Zoom messages, therefore, if you register and do not receive your connection link, please contact Mrs. Yolanda Terrazas to the following email: yterrazas@icao.int so you can obtain your personal access link for the event.

Documentation/Presentations that your Administration/Organization may wish to submit/present at the meeting should be forwarded to this office by e-mail as soon as practicable in Microsoft Word/PowerPoint format using the attached templates. Working papers should be brief, action-oriented, and focused with a four-page limit excluding any appendices.

Only working papers **received** by this office by **17 September 2021**, submitted by States/Territories, will be translated to ensure timely processing. Working papers received in this office **after** that date will have to be submitted in both languages. Otherwise, they will become Information Papers. Information papers will only be issued in the language submitted. Papers received from international organizations will not be translated and will be issued only in the language submitted.
