Date: Aug 29 – Sep 1, 2022

# Contents

1. ASBU TF Terms of Reference (ToR)
2. ASBU TF Work Program
3. ASBU TF Membership Point of Contact (PoC) List
4. Basic Building Block (BBB)

# 1. ASBU TF Terms of Reference (ToR)

**Recommendation 1:** Add a new paragraph in section 1 of ToR (Introduction), to explain the transition from ANI/WG to NACC WG. Replace ANI/WG with NACC WG where applicable .

**Recommendation 2:** Next slide

**Recommendation 3:** Reflect the recent efforts of collaboration between ICAO NACC and SAM ROs to produce a joint regional plan for the GREPECAS. Replace RPBANIP with GREPECAS eANP Volume III.

**Recommendation 4:** Update section 7 of ToR (References). Specifically, present new version of GANP and ASBU.

# 1. ASBU TF Terms of Reference (ToR)

**Recommendation 2:** Modify Section 2, Objection, 1) as follows: Change recommendation is due to the readiness of Block 1 elements. In addition, change “a cyclical annual bases” to “a cyclical 3-year bases” to align with the ICAO Assembly and GANP/ASBU new edition cycle.

**Current:** Develop effective methods to determine the regional implementation status of the ASBU Block 0 elements and the performance monitoring of the Regional Air Navigation System, on a cyclical annual basis, as a regional input to the Annual Global Air Navigation Report and feedback for the Global Air Navigation Plan and the Regional Dashboard.

**Recommended:** Develop effective methods to determine the regional implementation status of the ASBU Block 0 and Block 1 elements and the performance monitoring of the Regional Air Navigation System, on a cyclical 3-year basis, as a regional input to the Annual Global Air Navigation Report and feedback for the Global Air Navigation Plan and the Regional Dashboard.

## 2. ASBU TF Work Program

**Recommendation 1:** Apply editorial modifications and changes in certain names (e.g., from ANI/WG to NACC WG, from state ANP to national ANP, from Block 0 to Block 0 and 1, and from RPBANIP to GREPECAS ANP) accordingly.

**Recommendation 2:** Modify the “Note 1” describing the frequency of national ANP updates to align with the ICAO Assembly and GANP/ASBU new edition cycle. This change will also affect the Objective 1 of the Work Program.

**Recommendation 3:** Remove the Work Program activity items that are completed and/or no longer required for the easy of program usage.

**Recommendation 4:** Update the existing activities (e.g., target dates affected by the world pandemic).

## 2. ASBU TF Work Program

**Recommendation 5:** Plan and add the future activities to the Work Program. Examples of future activities includes:

- Preparation of the support materials to host the NANP workshops based on the 7th edition of GANP/ASBU
- Scheduling and coordination of the NANP workshops based on the 7th edition of GANP/ASBU
- Planning of NACC ASBU status reporting materials and reporting methods

### 3. ASBU TF Membership Point of Contact (PoC) List

- The last update of the PoC list is dated 26 August 2021
- Recommend that all PoC information be updated/verified including ICAO NACC ASBU TF coordinator.

Verify POC information of your state/organization and communicate with ASBU TF Coordinator and Rapporteur via eMail.

## 4. Basic Building Block (BBB)

- The 6th edition of GANP introduced the Basic Building Block (BBB) framework that outlines the foundation of any robust air navigation system
- The BBB is an independent framework and not a block of the ASBU framework
- The BBB represent a baseline rather than an evolutionary step
- This baseline is defined by essential services recognized by ICAO Member States as necessary for international civil aviation to develop in a safe and orderly manner
