1. Introduction

1.1 The implementation groups of the NAM/CAR region are made up of the Member States led by a specific rapporteur who is chosen by the States according to their capacity, experience, and leadership.

1.2 The Eastern Caribbean Network Technical Group (E/CAR/NTG) and Eastern Caribbean Radar Data Sharing (E/CAR/RD), which is responsible for the technical management of the Eastern Caribbean network, its operational management, and the implementation of improvements at the regional level, was recently led by Veronica Ramdath.

1.3 Her work and leadership have left a positive impact on our region that will continue for many years to come.

1.4 Our colleague and friend, came to her retirement period so we appreciate her hard work, her contribution to aviation, and her leadership as CNS officer on Trinidad and Tobago.

1.5 The ICAO NACC Regional Office recognizes and appreciates her work and as our friend, we wish her success and happiness in this new stage of her life.

1.6 On behalf of the ICAO NACC Regional Office, find attached the acknowledgment delivered by her colleagues and friends of the Eastern Communications Network. Congratulations!

North American, Central American and Caribbean Office (NACC)

In recognition of

Veronica Ramdath

For your leadership, dedication and contribution as Communications, Navigation and Surveillance Officer and especially for being the rapporteur to the Communications Network Working Groups and the Eastern Caribbean States Surveillance Working Group (ECAR/NTG and ECAR/RD), your work contributed enormously to the communication and radar infrastructure of the Eastern Caribbean States.
