**ICAO NAM/CAR/CATC/WG/EX**  
**October 17-18, 2023**

# ALTA Educational Hub

ONE place  
Multiple OPTIONS

## Objectives:

- Provide ALTA members and the aviation industry with a platform that integrates the best aviation educational programs in Latin America and the Caribbean.
- Promote the continuous professionalization of human resources to consolidate a safer, more innovative, and sustainable industry.

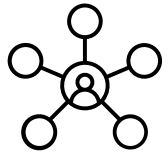

# ALTA Educational Hub

ONE place  
Multiple OPTIONS

13 Partners

Key Training areas such as safety, operations, ground handling, aviation law, environment, aeronautical English, pilot training, etc.

114 courses/programs

## Partners

# ALTA Educational Hub

## The partnership agreements include:

Discount for ALTA members

Scholarships for underrepresented groups in the industry

Communication and promotion of courses and institutions by ALTA

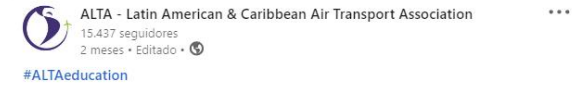

El Curso de Gestión Medioambiental en Aeropuertos y Control de Fauna tiene como objetivo proporcionar los conocimientos necesarios para dominar las diferentes regulaciones legales, operativas y procedimientos relacionados con el entorno ambiental de los aeropuertos, como pueden ser las servidumbres aeronáuticas, insonorización de edificios afectados, gestión de residuos, instalaciones necesarias, procedimientos de seguridad, etc.

Nuestro #ALTApartner ITAérea Aeronautical Business School ofrece un 15% de descuento a los #ALTAmembers.

# ALTA Pilot Training Committee

---

## Mission

To promote safe, effective and efficient aviation training, aligned with the needs of the airline members.

## Objectives

Unified regional vision

Sharing of best practices and experiences

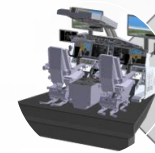

Regulations Standardization

Education on new training trends

## Working Agenda

Implementation of  
Competency-based Training

Regulations standardization  
for simulator equipment

Pilot Pipeline Development

Training Centers Needs and  
Growth

# ALTA Pilot Training Connect

ALTA organized the first regional conference in Pilot Training in Panama on the 5 and 6 of September.

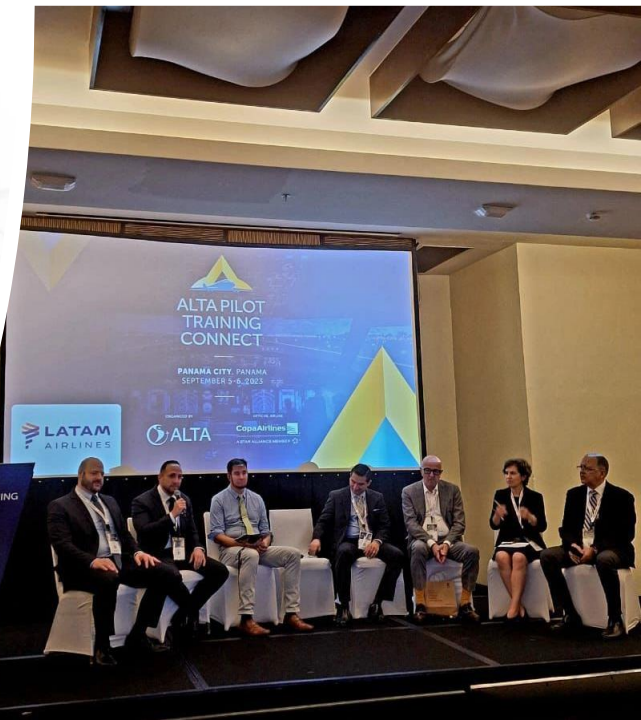

The conference brought together 120 experts in pilot training, including more than 20 airline representatives.

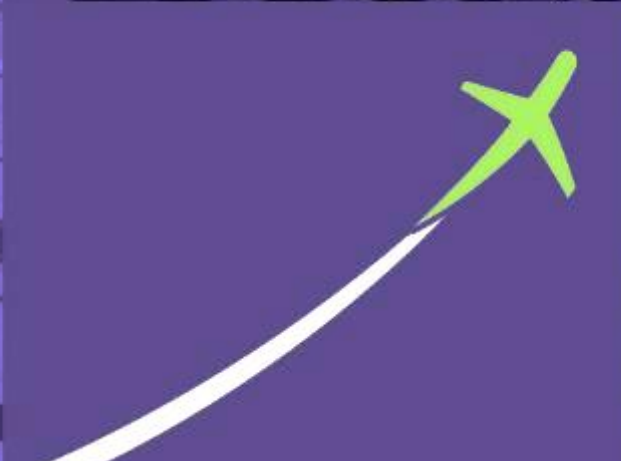

We had expert panels discussing various aspects of pilot training, including:

- Pilot shortage
- Attraction and retention of talent
- Adoption of technologies for efficiency
- Resource optimization
- Smart regulations
- Certification updates and more
