SENEAM, Mexico City, 27-29 February 2024

## Agenda Item 5: Airport certification and Emergency Planning Overview

The certification of International Airports is a mandatory task that shall be conducted by each State CAA. A main part of the certification process is the preparation of the airport to cope with an emergency, which includes Public Health Events.

Presentations under this agenda item:

- ICAO NACC Regional Office – P/02
- Colombia – P/03

## Agenda Item 6: Tour de table on recent developments

Member States and CAPSCA Industry Partners will be invited to present their recent achievements and developments about:

- Recent outbreaks or Public Health Events; and
- Improvements in facilities, procedures, guidelines, etc.

Presentations under this agenda item:

- Federal Aviation Administration
- European Commission

## Agenda Item 7: Other business and list of decisions

Review of the adopted decisions and recommendations.

The meeting will designate a Chairperson/Rapporteur from the NAM, CAR and SAM ICAO Member States for the follow-up of adopted agreements.

Space for presentations of other stakeholders/participants.

## Agenda Item 8: Airport visit

The group will conduct a visit to Mexico International Airport to have an overview of the medical facilities and its preparedness in case of a Public Health Event.
