To all Member States and territories
of the North American, Central American
and Caribbean Region

On behalf of the Secretariat of the International Civil Aviation Organization (ICAO), I would like to extend a message of solidarity and support to all Member States and territories of the North American, Central American and Caribbean (NACC) Region affected by recent natural disasters and adverse weather phenomenon.

I wish to reaffirm ICAO's commitment to delivering leadership and support, through the NACC Regional Office in Mexico City, to provide assistance and appropriate coordination to Member States and territories of the NACC Region at this time. Personally, I will continue to closely monitor the situation through the NACC Regional Office.

For those Member States and territories more directly affected, I will ensure that the NACC Regional Office works diligently to assist you, wherever possible, to maintain your safe, secure, and efficient air transport systems and infrastructure and the connectivity of all your citizens as a priority and a cornerstone of your sustainable development.
