

ICAO personnel to serve as international advisers and observers in PS-752 accident investigation

For immediate release

Montréal, 13 January 2020 – ICAO has accepted an invitation from the government of the Islamic Republic of Iran to provide expert advice in support of the investigation of the aircraft accident involving Ukraine International Airlines flight PS-752.

Noting that all relevant States have been granted the right to participate in the investigation in compliance with Annex 13 to the Convention on International Civil Aviation (*Aircraft Accident and Incident Investigation*), ICAO has appointed senior and expert technical staff who will now serve as advisors and observers with respect to States' interactions and interpretations relevant to Annex 13 investigation provisions.

About ICAO

A specialized agency of the United Nations, ICAO was created in 1944 to promote the safe and orderly development of international civil aviation throughout the world. It sets standards and regulations necessary for aviation safety, security, efficiency, capacity and environmental protection, amongst many other priorities. The Organization serves as the forum for cooperation in all fields of civil aviation among its 193 Member States.
