

ICAO

UNITING AVIATION

EDTO Workshop

Module N° 1 – Course Introduction

- **Part I** – *Presentation of ICAO course instructors*
- **Part II** – *Course goals, concept and structure*
- **Part III** – *Administrative information*

Part I – *Presentation of ICAO Course Instructors*

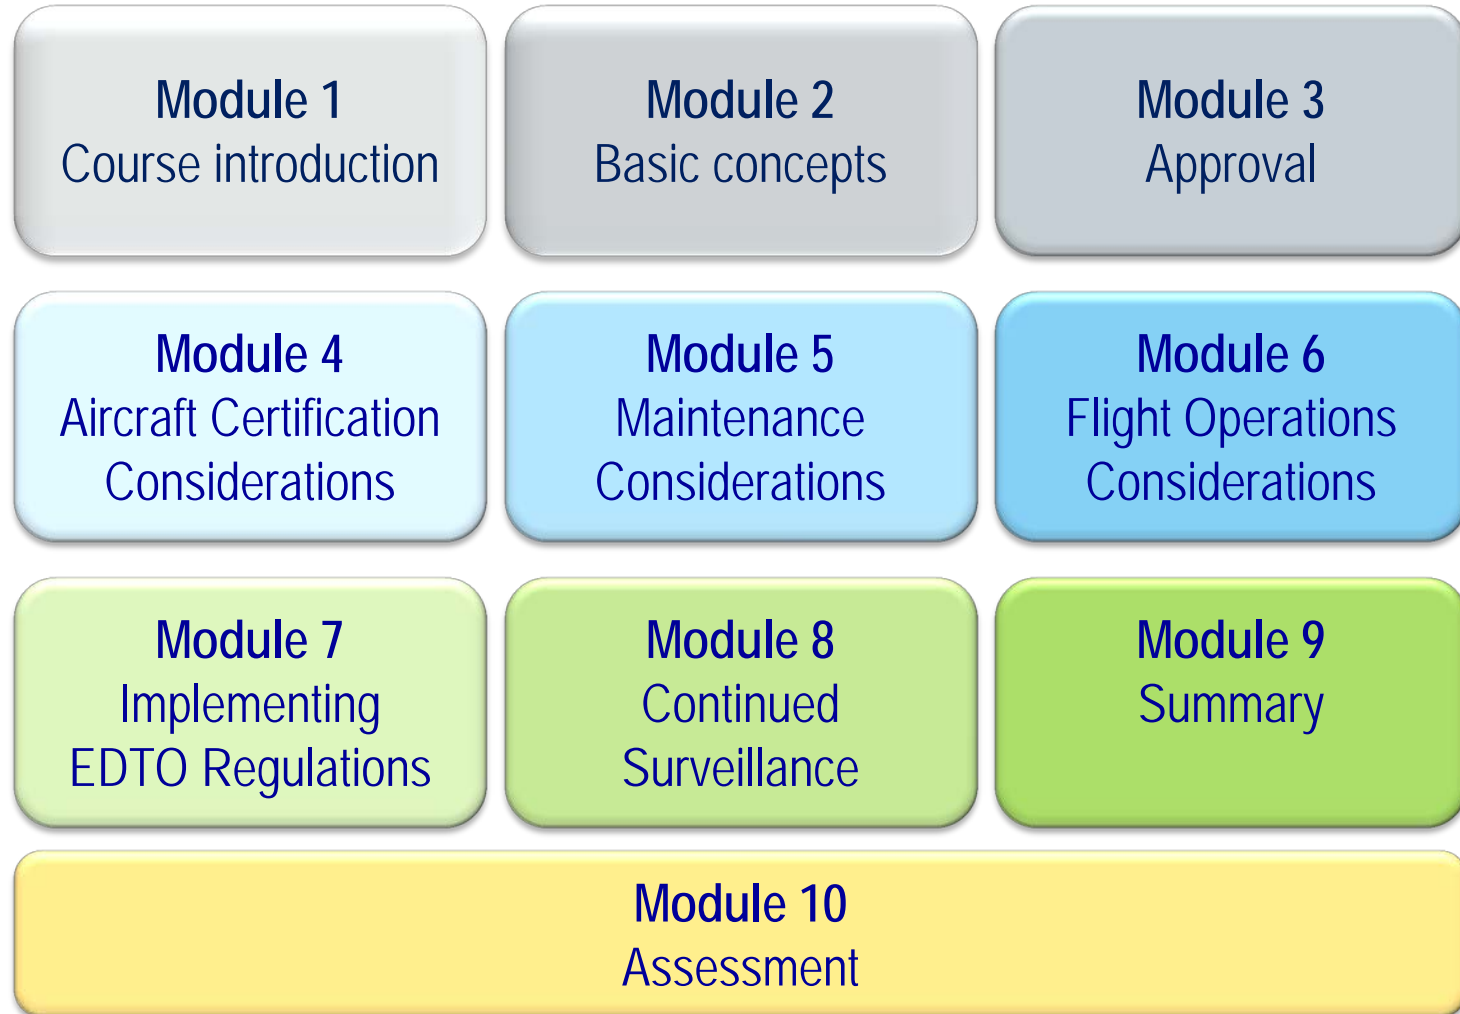

- Eric Fortunato
- Mike Mock
- Marcelo Ureña
- Miguel Marin

Part II – *Course goals, concept and structure*

- The goals of the ICAO EDTO course are to:
 - provide participants with **knowledge and skills to implement EDTO in National regulations** based on ICAO Standards and Recommended Practices (SARPs) contained in Annex 6 Part I.
 - develop participants' knowledge to **oversee** the key components of an EDTO, in compliance with ICAO SARPs

- Much material in a short period of time
- Modules have a compilation of information from three main sources:
 - ICAO
 - Airbus
 - Boeing
- Most modules will be presented by two or more facilitators
- Questions are preferred at the end of each module
