3. Decisions for XXIII CLAC Ordinary Assembly

3.1 According to the work developed by Regional Group AVSEC / FAL / RG / LACAC / ICAO in the current period, the following topics could produce draft decisions, which would be presented for approval by the XXIII Ordinary Assembly of LACAC, scheduled to take place in Varadero, Cuba, from 19 to 21 November 2018.

- Aviation Security Management System (SeMS)
- Standardization of auditing procedures for aviation security systems.
- Guide for AVSEC authorities to comply with the Standard 3.5 of Annex 17
- Course on cybersecurity.
- Standardization of security measures to comply with the Standards of Annex 9 and Doc 9303 / ICAO.
- Standard teaching materials on Facilitation
- List of restricted items by non AVSEC Authorities
- Unique security control system for airports validated by the States involved.

3.2 Regarding this, Regional Group is suggested to work on the relevant texts at current session and the next meeting, considering LACAC Secretariat should submit the corresponding Draft to LACAC Executive Committee in its next meeting, which will take place in Montevideo, Uruguay, 18 to 20 September, 2018 and after the XXIII Ordinary Assembly of CLAC (19-21 November 2018, Varadero, Cuba).

4. Proposed action

4.1 The Group is invited to:

- Implement the Decisions promulgated by the XXII Ordinary Assembly of the Latin American Civil Aviation Commission, in force since its adoption, as detailed in paragraph 2.1 of this Working Paper
- Prepare the Draft Decisions detailed in 3.1 to present it to the Executive Committee of LACAC at its next meeting and further adoption by XXIII Ordinary Assembly of LACAC (19 to 21 November 2018, Varadero, Cuba), if they deem it appropriate.
