### 6. Temperature

Temperature in Lima during the month of November varies from 19°C to 28°C. The average humidity is of 75%.

## 7. **Transportation from/to the airport**

There are authorized taxis services at the Jorge Chavez International Airport.

The rate to Miraflores or San Isidro (hotel area), and vice-versa, is of approximately US\$ 20.00.

Taking into account the increase in assaults against persons who travel in the route to and from the airport, Taxi Green is suggested, which counter is at the airport, at the exit door of international passengers.

## 8. **Transportations to and from the site of the event**

Participants can take a taxi or walk to the SAM Regional Office, depending on the location of the selected hotel, and vice versa.

In the city, there are independent or informal taxi drivers. In view of the fact that they do not belong to a company, they do not provide any safety or guarantee. In case of taking an informal taxi, please consider that you may be at a high risk.

The company recommended for transfers within the city:

Taxi Satelital

T. 355-5555
