4.1 The tentative agenda is being presented in **Attachment A** to this working paper.

5. **Suggested action**

The meeting is invited to consider and approve the modality of work, agenda items and explanatory notes presented in this working paper as **Attachment A**.

ATTACHMENT A

TENTATIVE AGENDA

- Agenda item 1: Summary of the UAS/RPAS Focal Points First Virtual Meeting results
- Agenda item 2: Presentation of the progress made by the working team in charge to develop the operational concept (CONOPS) for unmanned aircrafts (UA) and the roadmap for the LAR UAS and LAR RPAS development.
- RVPF-UAS-RPAS/2-WP/02 – Progress of the working team in charge of developing the CONOPS for unmanned aircrafts (UA) and the roadmap for the LAR UAS and LAR RPAS development.
- Agenda item 3: Presentation of the progress made by the working team in charge to develop the RPAS CONOPS for international IFR operations
- RVPF-UAS-RPAS/2-WP/03 – Progress of the working team in charge of developing the RPAS CONOPS for international IFR operations
- Agenda item 4: Presentation of the progress made by the working team in charge to develop unmanned aircraft systems (UAS) traffic management (UTM)
- RVPF-UAS-RPAS/2-WP/04 – Progress of the working team in charge of developing UAS traffic management (UTM)
- Agenda item 5: Presentation of the progress made by the working team in charge to develop the LAR UAS regulatory framework model and the LAR RPAS regulatory framework
- RVPF-UAS-RPAS/2-WP/05 – Progress of the working team in charge of developing the LAR UAS regulatory framework model
- RVPF-UAS-RPAS/2-WP/06 – Progress of the working team in charge of developing the LAR RPAS regulatory framework
- Agenda item 6: Other issues

EXPLANATORY NOTES ON THE AGENDA

Agenda item 1: Summary of the UAS/RPAS Focal Points First Virtual Meeting results

Under this agenda item, the Secretariat will present a summary of the results of the First Virtual Meeting of the UAS/RPAS Focal Points of the SAM and SRVSOP States.

Agenda item 2: Presentation of the progress achieved by the working team in charge to develop the operational concept (CONOPS) for unmanned aircrafts (UA) and the roadmap for the LAR UAS and LAR RPAS development

Under this agenda item, the progress made by the working team in charge to develop the operational concept (CONOPS) for unmanned aircrafts (UA) and the roadmap for the LAR UAS and LAR RPAS development will be analysed. The States will present information on the progress achieved in the development of the operational concept (CONOPS) for unmanned aircrafts (UA) and the roadmap for the LAR UAS and LAR RPAS development, difficulties encountered, positive experiences and projections to complete the development of the CONOPS for unmanned aircrafts (UA) for the SAM Region. Likewise, the States will present the progress of the roadmap for the LAR UAS and LAR RPAS development.

Agenda item 3: Presentation of the progress achieved by the working team in charge to develop the RPAS CONOPS for international IFR operations

Under this agenda item, the progress made by the working team in charge to develop the RPAS CONOPS for international IFR operations will be analysed. The States will present information on the progress achieved in the development of the RPAS operational concept (CONOPS) for international IFR operations, difficulties encountered, positive experiences and projections to complete the development of the RPAS CONOPS for international IFR operations in the SAM Region.

Agenda item 4: Presentation of the progress achieved by the working team in charge to develop unmanned aircraft systems (UAS) traffic management (UTM)

Under this agenda item, the progress made by the working team in charge to develop unmanned aircraft systems (UAS) traffic management (UTM) will be analysed. The States will present information on the progress achieved in the development of the unmanned aircraft systems (UAS) traffic management (UTM), difficulties encountered, positive experiences and projections to complete the development of the unmanned aircraft systems (UAS) traffic management (UTM) for the SAM Region.

Agenda item 5: Presentation of the progress achieved by the working team in charge to develop the LAR UAS regulatory framework model and the LAR RPAS regulatory framework

Under this agenda item, the progress made by the working team in charge to develop the LAR UAS regulatory framework model and the LAR RPAS regulatory framework will be analysed. The States will present information on the progress achieved in the development of the LAR UAS regulatory framework model and the LAR RPAS regulatory framework, difficulties encountered, positive experiences and

projections to complete the development of the LAR UAS regulatory framework model and the LAR RPAS regulatory framework for the SAM Region.

Agenda item 6: Other issues

The Focal Points will be able to discuss any other matter that was not considered under the agenda items of this meeting.
