Subject: **Fatigue Risk Management Systems (FRMS) Seminar**
(Lima, Peru, 26 – 27 June 2012)

Sir/Madam,

I have the honour to inform you that the International Civil Aviation Organization (ICAO), in association with the International Air Transport Association (IATA) and the International Federation of Airline Pilots' Associations (IFALPA), has organized a two-day seminar on Fatigue Risk Management Systems (FRMS) to be held from 26 to 27 June 2012 at ICAO South American Regional Office in Lima, Peru.

The seminar follows on from the FRMS Symposium carried out in Montréal (30 to 31 August 2011) and aims to bring regulators and operators together to consider the implications of the newly approved Fatigue Management Standards and Recommended Practices in Annex 6, Part I and to examine the supporting FRMS guidance material recently developed by ICAO, IATA and IFALPA.

The FRMS Seminar will focus on the requirements within the FRMS framework and practical issues related to FRMS implementation and oversight. Both States and operators are strongly encouraged to attend. Simultaneous Spanish and English interpretation will be provided for the presentations and the interactive panel discussions. There will be no registration or entrance fees.

You are cordially invited to nominate your participant(s) to attend this seminar. Due to space limitations, it is suggested that participants register on-line as soon as possible at ICAO Headquarters FRMS Website, where you can access through the SAM Regional Office website, <http://www.lima.icao.int/>.

Enclosed you will find **IP/01** with General Information about the seminar. Documentation for the seminar will be found at the above mentioned website in due course.

Should you require additional information you may contact Mr. Marcelo Ureña, Flight Safety Regional Officer, murena@lima.icao.int or Mrs. Marisa Pérez, Assistant, mpaez@lima.icao.int.

Accept, Sir/Madam, the assurances of my highest consideration.

Franklin Hoyer
Regional Director
ICAO South American Office
Lima
