Result of this development process

Training course “**Control of the Authenticity and Validity of Travel Documents at Airport Borders – Level 1**”

PURPOSE OF THE COURSE

The purpose of this course is to consolidate the competencies of front-line inspection officers to examine travel documents effectively, allowing them to expedite the movements of legitimate travellers while intercepting high-risk individuals and persons of interest.

TARGET POPULATION

Front-line inspection officers working in an airport environment from immigration, customs, and other border control agencies.

Objectives of the Training

At the end of the training course, trainees will be able to:

- 1) describe the basic elements of a travel document;
- 2) detect the different types of fraud;
- 3) examine a travel document manually and visually to detect whether it is fraudulent or not; and
- 4) examine a travel document using an electronic document reader to detect whether it is fraudulent or not.
