T1/32 – 0913

04 October 2016

**Subject: Invitation to the ICAO Aeronautical Data Origination for Instrument Flight Procedure Design workshop (African Flight Procedure Programme / AFPP) Dakar, Senegal, 16-18 November 2016**

*Action Required: Confirm participation not later than 5 November 2016*

Sir/Madam,

I have the honour to inform you that an ICAO workshop on Aeronautical Data Origination for Instrument Flight Procedure Design will be conducted for the benefit of African States, in Dakar, Senegal, from 16 to 18 November 2016 to which your Administration/Organization/Operator is kindly invited.

The workshop is organized in replacement of the one which was initially planned to take place from 20 to 22 September 2016 in Libreville, Gabon.

The 3-day workshop which will be held at the ICAO Regional Office for Western and Central Africa located close to the Leopold Sedar Senghor International Airport, is being organised within the framework of the African Flight Procedure Programme (AFPP) activities to assist African States in developing their capability for aeronautical data collection, including obstacles and terrain, and analysis in order to implement conventional and PBN flight procedures, as described in ICAO Documentation. Participants will therefore be given the appropriate tools and knowledge on the use of the relevant process.

The workshop is intended for qualified and experienced personnel from national aeronautical authorities in charge of instrument flight procedures implementation oversight and use, flight procedures designers, personnel in charge of flight procedures regulatory approval, AIM experts, air traffic controllers, as personnel involved in air operations such as pilots.

The workshop will be conducted in English and the documentation, also to be available only in English being prepared based on the attached agenda (see **Annex A**), will be posted on the AFPP website at <http://www.icao.int/WACAF/African-FPP/Pages/default.aspx> as soon as it is available.

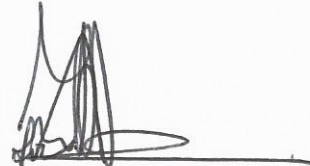

As all documentation will be provided in soft copies, participants are also encouraged to bring along suitable computer equipment and accessories such as laptops and flash drives to enable them to participate effectively in the workshop.

.../...

You are requested to confirm the participation of your Administration/Organization as well as air operators in your States, as soon as possible but in any case **not later than 5 November 2016**, by providing the names and functions of your nominated participant(s). The registration form **Annex B** is to be completed and returned by nominated participants and returned to the following e-mail addresses [icaowacaf@icao.int](mailto:icaowacaf@icao.int) or [icaoesaf@icao.int](mailto:icaoesaf@icao.int) with copy to [Amane@icao.int](mailto:Amane@icao.int) and [FLegrand@icao.int](mailto:FLegrand@icao.int).

The information bulletin and a list of suggested hotels in Libreville are attached to this letter.

Please accept, Sir/Madam, the assurances of my highest consideration.

Mam Sait Jallow  
Regional Director
