### ICAO (AFPP)/AFCAC PBN SURVEY RESULTS

#### 1. Introduction

1.1. Joint ICAO-AFPP/AFCAC survey on PBN was sent to States in May 2015. On 15<sup>th</sup> October 2015, 15 States had responded to the survey questionnaires. The survey was dedicated to the status of the National PBN Implementation development and the States' needs and requests related to the activities conducted by the AFPP. The information will be used to update the activities of the AFPP on PBN implementation.

#### 2. National PBN Implementation Plan

2.1. All States nominated a National PBN Plan Manager/Coordinator, who will be the AFPP Point of Contact (see AFPP Strategic Action Plan, section 3.1.).

2.2. Development of the National PBN Implementation Plan:

2.2.1. Relating to propositions in the survey questionnaire:

	No development	Started to develop	submitted	Updated (on-going)	Request assistance
Number of States	1	3	7	3	4

#### 3. Instrument Flight Procedure Implementation Oversight and Design Services

3.1. Implementation of an Instrument Flight Procedure Implementation Oversight Service:

3.1.1. All States except two, indicated they have started the action.

3.2. Implementation of an Instrument Flight Procedure Design Service:

3.2.1. Relating to propositions in the survey questionnaire:

	Started the action	Pending action	Did not start action
Number of States	9	2	4

3.3. Development of Instrument Flight Procedures (conventional and PBN):

	Started the action		Pending action		Did not start action	
	Conv	PBN	Conv	PBN	Conv	PBN
Number of States	15	12	0	3	0	0

3.4. Regulatory of Instrument Flight Procedures (conventional and PBN):

	Started the action		Pending action		Did not start action	
	Conv	PBN	Conv	PBN	Conv	PBN
