Subject: **CAPSCA Focal Points - COVID-19 Status Update Meeting**

Sir/Madam,

Since the emergence of the COVID19 pandemic, ICAO and WHO through the CAPSCA Programme are working on global strategy dedicated to support States actions to mitigate the effects of the pandemic and return to normal operations. Several CAPSCA meetings were therefore held at global and regional level to this end, with the participation of aviation and public health Experts.

In light with the above, I have the honour to inform you that ICAO has scheduled a regional meeting with CAPSCA focal points of member States. The purpose of the meeting is to inform States about this work, assess the situation prevailing in your respective States and discuss any other issues of common interest related to COVID-19 environment.

The following items will be discussed at the meeting (by means of a short presentation) followed by a Question & Answer session:

- New CAPSCA members
- CAPSCA website
- CAPSCA survey
- Public Health Corridor concept
- Guidance material related to COVID-19
- CAPSCA webinars, on-line training and Assistance visits
- CAPSCA Symposium

To this effect, **I would like to invite your CAPSCA Focal Point to a teleconference to be held on Wednesday 29 April 2020 from 10h00am to 12h00pm (UTC)**. The link for the meeting will be provided to you in due course.

You are kindly invited to advise on the participation of your State CAPSCA Focal Point and aviation and public health professionals involved in the CAPSCA activities in the scheduled meeting.

Please accept, Sir/Madam, the assurances of my highest consideration.

Prosper Zo'o Minto'o  
ICAO Regional Director
