T17/6.13 – 0501

20 June 2011

**Subject:** First meeting of the AFI Region AIM Implementation Task Force (Dakar, Senegal, 20 – 22 July 2011).

**Action required:** To reply and confirm participation by 11 July 2011.

Sir/Madam,

I have the honour to refer you to Decision 17/87 of the Seventeenth APIRG Meeting (APIRG/17) held in Ouagadougou, Burkina Faso from 2-6 August 2010 which states as follows:

**DECISION 17/87: PLANNING FOR THE TRANSITION FROM AIS TO AIM**

**That, based on the ICAO global ATM operational concept and the ICAO roadmap for the transition from AIS to AIM, the AFI AIM Implementation Task Force (AFI AIM TF):**

- a) **Develop performance goals for the transition from AIS to AIM in the AFI Region and identify achievable milestones; and**
- b) **Carry out a review of the AIS parts of the AFI basic ANP and FASID in order to introduce/develop planning material related to the transition from AIS to AIM.**

Pursuant to the implementation of the above-mentioned APIRG Decision, the First AFI Region AIM Implementation Task Force Meeting will be convened at the new ICAO Office Building in Dakar (Yoff), Senegal from 20-22 July 2011. Your Administration is invited to attend this meeting which will be held back to back with the Twelfth Meeting of the APIRG/ATM/AIM/SAR Sub-group (ATM/AIM/SAR SG/12-Dakar, Senegal, 25-29 July 2011).

The meeting will be conducted in the English language only. The opening session will take place on Wednesday 20 July 2011 at 0900 hours and registration of participants will commence at 0800 hours.

The terms of reference which embraces all matters relating to AIM, as revised by the Eleventh ATM/AIM/SAR Sub-Group meeting are shown in Appendix B. The First AFI Region AIM Implementation Task Force meeting is expected to submit the results of its work to the Twelfth meeting of the APIRG/ATM/AIM/SAR Sub-Group.

..

The main objective of this meeting is to provide guidance to States, in accordance with the requirements of the AFI Air Navigation Plan, for the implementation of the above-mentioned APIRG/17 Decision.

Your Administration is invited to:

- a) indicate its intention to participate in the meeting;
- b) provide the names and functions of your *(AIS/MAP-AIM)* representatives; and
- c) send working and/or information papers, if any, to be presented on the basis of the expedition via electronic files at the following address: [icaowacaf@dakar.icao.int](mailto:icaowacaf@dakar.icao.int).

Please note that the working Documentation (working/information papers, etc.) will not be provided in hard copy (paper) form. Your Administration is therefore requested to ensure that participants are accordingly provided with computer equipment (such as laptops) to enable their effective participation.

Kindly note that the period of the meeting coincides with the tourist season in Senegal and it may be anticipated that difficulties could be encountered in securing preferred hotel accommodation in Dakar. Consequently, participants are urged to take prompt action to make reservations at the hotels indicated in the general information paper, at Attachment F.

Please accept, Sir/Madam, the assurances of my highest consideration.

Mam Sait Jallow  
Regional Director

## TERMS OF REFERENCE OF THE AFI AIM IMPLEMENTATION TASK FORCE

### 1. Terms of Reference

The AFI AIM Implementation Task Force (*Formerly AIS/MAP Task Force*) was established within the framework of the ATS/AIS/SAR Sub-Group (AFI/7 Rec.12/39) in order to develop a cohesive Air Navigation plan concerning AIM (*AIS/MAP*) for the AFI Region, taking into account the following principles:

The AFI AIM Implementation Task Force shall :

- 1) examine the status of implementation of the ICAO requirements in the field of AIS/AIM;
- 2) identify and review those specific deficiencies related to AIS/AIM and recommend action to be taken to eliminate them;
- 3) prepare proposals for amendment to relevant parts of the AFI Basic ANP and FASID, as appropriate;
- 4) assist States in the implementation of required Quality Management System (QMS) for aeronautical information services and monitor the implementation process;
- 5) monitor and review the latest developments in the AIS/AIM field;
- 6) foster the implementation of the AIS/AIM automation in the AFI Region;
- 7) foster the integrated improvement of AIS/AIM through proper training and qualification of the personnel performing technical duties in this aeronautical activity;
- 8) monitor e-TOD implementation activities in the AFI Region;
- 9) monitor the transition from AIS to AIM in the AFI Region and provide necessary assistance and guidance to States, in this respect; and
- 10) follow up the implementation of PBN in the AFI Region and address PBN-related issues pertaining to the AIS/AIM field, as appropriate.

The AFI AIM Implementation Task Force shall report to the APIRG ATM/AIS/SAR Sub-Group at each Sub-Group meeting.

## 1. WORK PROGRAMME

Ref.	Task	Priority	Target Completion Date
1	Identify reasons that hinder States from implementation and adherence to the AIRAC System and suggest ways and means, which would improve the adherence to the AIRAC System.	A	(1)
2	Monitor the implementation of WGS-84 in the AFI Region until complete implementation of the system by all States and take remedial action, as appropriate.	A	(1)
3	Review the status of implementation of ICAO requirements pertaining to the Integrated Aeronautical Information Package and aeronautical charts in the AFI Region	A	(1)
4	Foster the standardized production of aeronautical charts in the AFI Region, identifying the obstacles that some States could have in adjusting to the specifications of ICAO Annex 4 and recommend possible course of action to be taken by those States in order to comply with the requirements.	A	(1)
5	Foster the implementation of Quality Management System(QMS) within AIS/AIM in the AFI Region, identifying the difficulties that States could have to comply with the specifications of ICAO Annex 15.	A	(1)
6	Monitor and review technical and operating developments in the area of automation and AIS/AIM databases.	A	(1)
7	Prepare proposals for amendment to relevant parts of the AFI Basic ANP and FASID, as appropriate.	A	(1)
8	Highlight the importance of giving AIS/AIM its proper status in the Civil Aviation Administrations.	A	(1)
9	Address the issue of training/licensing of the AIS/AIM Personnel in the AFI Region.	B	(1)
10	Harmonize, coordinate and support the e-TOD implementation activities on a regional basis.	A	(1)
11	Ensure that the planning and implementation of AIM in the region, is coherent and compatible with the developments in adjacent regions, and that it is carried out within the framework of the ATM Operational Concept, the Global Air Navigation Plan and the associated Global Plan Initiatives (GPIs)	A	(1)
12	Establish and maintain AIM performance objectives for the AFI Region.	A	(1)
13	Address those AIM issues related to the implementation of PBN in the AFI Region	A	(1)

**3. PRIORITIES**

- A High priority tasks, on which work should be speeded up.
- B Medium priority tasks, on which work should begin as soon as possible, but without detriment to priority A tasks.
- C Tasks of lesser priority, on which work should begin as time and resources allow, but without detriment to priority A and B tasks.

**4. COMPOSITION**

APIRG Provider States, IATA, IFALPA, and IFATCA

Other representatives from industry and user Organizations having a vested interest in AIS/AIM could participate as observers in the work of the Task Force, as appropriate.
