**Action required:** a) To confirm participation and register online by 30 June, 2017; and  
b) disseminate this letter as requested in paragraph 4)

Sir/Madam,

I have the honour to invite you to participate in the "ICAO Remotely Piloted Aircraft Systems (RPAS) Workshop" which is being convened by the International Civil Aviation Organization (ICAO) in conjunction with the Nigerian Civil Aviation Authority, from 19 to 21 July, 2017 in Abuja, Nigeria. This workshop will follow the RPAS Symposium that will be held at the same venue from 17 to 18 July, 2017.

The RPAS Workshop will provide States, international organizations, operators and stakeholders with first-hand information on RPAS provisions and guidance material. This will assist State regulatory and administrative personnel involved in the development and implementation of their RPAS regulations as well as the certification and oversight of such activities.

The RPAS Workshop will bring a unique opportunity for rule-making authorities, air navigation service providers, industry partners, international organizations and other stakeholders to share knowledge and experiences.

The workshop will be held in both English and French languages. Details pertaining to the workshop will be provided shortly, in English only, at [www.icao.int/Safety/RPAS-Workshops](http://www.icao.int/Safety/RPAS-Workshops). As this workshop will address subjects of interest to a wide-ranging audience, you are requested to disseminate this information to any organization in your State that may be interested in participating. As participation is limited, only 30 respondents will be selected to participate.

Please register online at the ICAO Western and Central African Regional Office website: [icaowacaf@icao.int](mailto:icaowacaf@icao.int) as soon as possible but not later than 30 June, 2017.

Accept, Sir/Madam, the assurances of my highest consideration.

Mam Sait Jallow  
Regional Director
