Dear Madam,

RE: EXPRESSION OF INTEREST TO PARTICIPATE IN CARBON OFFSETTING AND REDUCTION SCHEME FOR INTERNATIONAL AVIATION (CORSA).

I wish to refer to ICAO Assembly Resolution A39-3, in respect to the implementation of the Carbon Offsetting and Reduction Scheme for International Aviation (CORSA). We further take note of Paragraph 10 of Assembly Resolution A39-3, which determines the characterization of flight routes "covered" or "not covered" by the CORSA offsetting requirements based on participation of States in CORSA. We are also cognizant of ICAO's encouragement for all Member States to voluntarily participate in Pilot and First phases of the CORSA will maximize the overall emissions coverage of the scheme.

Therefore, on behalf of Civil Aviation Authority-Uganda, I take this opportunity to express our interest to participate in the Pilot and First Phases of CORSA. We envisage that our participation will contribute to global efforts towards environmental protection through regulations of aviation carbon emissions and addressing climate change. We are also convinced that as more States join the CORSA, more emissions are covered by the scheme and higher environmental-integrity is achieved, subsequently, bringing us closer to meeting the ICAO global aspirational goal of carbon neutral growth from 2020.

The purpose of this correspondence is to formally express Uganda's interest to participate in the Pilot and First Phases of CORSA and confirm our commitment to implement the **First Edition of Annex 16, Volume IV** on the Standards and Recommended Practices for CORSA.

Accept, Sir, the assurances of my highest consideration.

Yours faithfully,
