

PERMANENT MISSION OF SINGAPORE  
TO THE  
INTERNATIONAL CIVIL AVIATION ORGANIZATION

12 September 2016

Dr. Fang Liu  
Secretary General  
International Civil Aviation Organization  
Suite 12.15

Dear Dr Liu,

**Participation in Pilot Phase of CORSIA**

I refer to the above topic, which was a subject of discussion at the High-Level Meeting (HLM), the High-Level Group (HLG) and the Friends of the President informal Group meetings on a Global Market-Based Measure Scheme (GMBM).

I have the honour to inform you that Singapore intends to participate in the pilot phase of the Carbon Offsetting and Reduction Scheme for International Aviation (CORSIA) on the basis of the draft Assembly Resolution A39-WP/52, and on the understanding that a significant and large enough group of States also participates. This is to ensure that the scheme is able to function effectively, provides for a level-playing field, and minimizes market distortion.

Please accept, dear Dr. Liu, the assurances of our highest consideration.

Sincerely,

Tee Chiou Ng  
Representative of Singapore  
on the Council of ICAO
