Dear Secretary General,

REQUEST FOR ASSISTANCE THROUGH THE EUROPEAN UNION (EU) PROJECT AND VOLUNTARY PARTICIPATION IN CORSIA

I have the honour to inform you of Nigeria's decision to voluntarily participate in the Carbon Offsetting and Reduction Scheme for International Aviation (CORSIA), starting from the pilot stage in 2021. Nigeria is a strong supporter of ICAOs work in the mitigation of CO2 emission in International aviation.

The Nigerian Civil Aviation Authority (NCAA) wishes to refer to the Nigerian State Action Plan on mitigation of CO2 emissions submitted in 2015 and to inform that the action plan is currently being updated. However, Nigeria requires assistance to carry out this update to ensure a successful participation in the pilot stage of CORSIA.

In view of this development, Nigeria requests to be included in the next phase of the European Union (EU) Project for capacity building for CO2 mitigation for international aviation. This will assist Nigeria to come up with a more robust Action Plan and develop the capacity to implement the Plan.

Please accept the assurances of my highest consideration.

Capt. Muhtar Usman
