Yeiner E. Molina R, Presidente, CARSAMPAF

Subject: **Workshop on Addressing the Effects of Climate Change on Airport Infrastructure and Promoting Resilience to Extreme Weather Events**  
**(Panama City, Panama, September 21 to 25, 2026)**

**Required**

**Actions:** a) Register participants no later than 4 September 2026

Dear Sir,

I wish to refer to the activities programme of the RLA/06/901 Regional Project, adopted during the Twentieth Meeting of the Coordination Committee (RCC/20) (Lima, Peru, 14 August 2025), in order to invite your Administration to participate in the “Workshop on Addressing the Effects of Climate Change on Airport Infrastructure and Promoting Resilience to Extreme Weather Events,” to be held at the facilities of the Technological University of Panama (UTP) in Panama City, from September 21 to 25, 2026.

The workshop aims to strengthen the capacities of States in the CAR and SAM Regions to assess the impacts of climate change on airport infrastructure and to promote the planning and implementation of adaptation and resilience measures in response to extreme weather events. It will also provide an opportunity to exchange experiences and develop guidance and recommendations that contribute to the integration of climate risk management into airport planning, thereby enhancing operational continuity and the resilience of aerodromes throughout the region.

Please note that the event will be conducted in Spanish. The participant profile and the objectives of the event are presented in the Nemotecnic Paper (**Attachment A**).

Considering the foregoing, I am pleased to invite your Administration to designate and register the specialists who will participate in this event by completing their registration through the following link: [https://gabk2cgtbb5bsfu-atpdb2.adb.eu-amsterdam-1.oraclecloudapps.com/ords/r/estm/regional-activity-control/public-registration-form?p123\\_id\\_activity=227](https://gabk2cgtbb5bsfu-atpdb2.adb.eu-amsterdam-1.oraclecloudapps.com/ords/r/estm/regional-activity-control/public-registration-form?p123_id_activity=227)

.../2

Mr. Rodrigo Ribeiro, Regional Officer AGA ([rribeiro@icao.int](mailto:rribeiro@icao.int)), remains at your disposal should you require any additional information regarding this event.

Accept, Sir, the assurance of my highest consideration.

Luis Fernando Fiallos Pazmiño  
Regional Director  
ICAO South American Office  
Lima
