H.E. Raymond Harold Landveld, Minister of Transport, Communication and Tourism,
Suriname

Subject: **Webinar on Climate Change, El Niño 2026-2027 and Their Potential Impacts on Aviation
(Online, 22 October 2026)**

Dear Sir/Madam,

I have the honour to invite your Administration to participate in the Webinar on Climate Change, El Niño and Their Potential Impacts on Aviation, which will be held virtually on 22 October 2026, from 13:00 to 16:00 UTC.

The webinar aims to provide updated information on climate change and the 2026–2027 El Niño phenomenon, as well as to examine their potential impacts on aviation operations and services in the Americas Region.

The programme will include the following presentations:

- **Climate Change and Its Impacts on Aviation**, by Dr Paul Williams, University of Reading, United Kingdom.
- **El Niño 2026–2027 and Its Potential Impacts on Aviation in the Americas**, by Dr José Manuel Gálvez.

The webinar is intended for representatives of civil aviation authorities, air navigation service providers, aerodrome operators and aeronautical meteorology (MET) personnel, as well as other specialists involved in this area. The nemotecnic paper, which contains detailed information on the activity, together with the tentative agenda, are attached to this letter.

The webinar will be conducted in Spanish, with simultaneous interpretation into English.

In view of the above, I am pleased to invite your Administration to register the specialist(s) who will participate in this activity through the following link: [Zoom Registration Form](#).

Likewise, I would appreciate it if your Administration could give this event the widest possible dissemination among interested organizations and personnel.

Mr Jorge Armoa, Regional Officer, AIM/MET/ENV Regional Officer at the ICAO SAM Office (jarmoa@icao.int), is available should you require any additional information regarding this event.

Accept, Sir/Madam, the assurance of my highest consideration.

p/Verónica Chávez
