MONITORING AND EVALUATION						
REPORTING		<p>Establish mechanisms to track progress in RSOO consolidation, legal reforms, funding, capacity-building, and technical harmonisation</p> <p>1. Develop and operationalise a monitoring and evaluation (M&E) framework.</p> <p>2. Require annual reporting by RSOOs to ICAO and to AUC through AFCAC, aligned with KPIs and implementation timelines.</p> <p>3. Conduct biennial review meetings with key stakeholders.</p>	<p>1. Number of annual implementation progress reports submitted by RSOOs.</p> <p>2. Quality and timeliness of progress assessments (including performance against defined indicators).</p> <p>3. Number of roadmap review meetings held.</p>	RSOO	<p>AFCAC</p> <p>ICAO</p> <p>States</p>	<p>Annually</p> <p>Biennially</p>
PHASE 2: MATURATION (2031-2035)						
<u>OBJECTIVE 2</u> Human resources capacity and staffing	Efficiency Resilience	<p>Development of RSOO capacity to address emerging issues in Civil Aviation</p> <p>1. Developing within the RSOO capacities for studies, analyses and remaining being proactive in addressing emerging issues in civil aviation.</p>	Number of activities by RSOO to address emerging issues in civil aviation.	RSOO	<p>STATES</p> <p>AFCAC</p> <p>ICAO</p> <p>Partners</p>	December 2031

OBJECTIVE	CRITERIA	ACTIVITY	KEY PERFORMANCE INDICATORS	IMPLEMENTATION RESPONSIBILITY		TARGET DATE
				MAIN ENTITIES	SUPPORT ENTITIES	
<u>OBJECTIVE 3</u> Delegation of functions by States	Efficiency Relevance	1. Review of national and regional legal framework to support the delegation of functions. 2. Signing of an agreement or MoU between the RSOO and their reference States to take into account the specific aspects of delegation (level 1 and 2). 3. Establish and implement a mechanism between the RSOOs/RAIO and member states for the conduct and oversight of delegated functions	Number of member states that have reviewed their national and legal frameworks to support the delegated functions Percentage of RSOOs/RAIO and member states that have signed the Agreements/MOU. Number of RSOOs/RAIO and member States applying the mechanism to oversee or monitor a delegated function Number of functions delegated	RSOO States	AFCAC	December 2032
<u>OBJECTIVE 7</u> Cooperation and collaboration	Efficiency Relevance	1. Promotion of cooperation and coordination between RSOO, sharing of information and peer projects with other RSOOs, ICAO, AFCAC and partner. 2. Establish a mechanism to regularly assess States' needs for assistance	Number of joint projects, information exchange, mutual support frameworks successfully implemented. Number of coordinated	RSOO	ICAO AFCAC States Partners	Continuous December 2034

		and coordinate with ICAO to provide targeted implementation support 3. Establish centralised aviation safety databases.	activities Aviation safety data sharing framework developed and implemented.			
MONITORING AND EVALUATION						
REPORTING		Evaluate effectiveness of delegation agreements, responsiveness to emerging aviation issues, and inter-RSOO cooperation mechanisms. 1. Implement mid-term evaluations to assess MOU implementation, readiness for RSOO operations, and innovation adoption. 2. Develop performance dashboards for peer review. 3. Facilitate peer-to-peer audits and information-sharing events.	1. Number of mid-term evaluation reports produced and submitted. 2. Peer review findings and recommendations implemented. 3. Degree of stakeholder satisfaction with coordination efforts.	RSOO	ICAO AFCAC STATES PARTNERS	2033- 2035
PHASE 3: OPTIMISATION (AFTER 2035)						
<u>OBJECTIVE 5</u> Harmonization of regulations; RSOO Optimization	Efficiency Relevance	1. Harmonization of regulations and procedures between RSOO 2. Resource sharing and exchange between RSOO.	1. Number of harmonized Procedures established between the different RSOOs	RSOO	STATES REC	After 2035

OBJECTIVE	CRITERIA	ACTIVITY	KEY PERFORMANCE INDICATORS	IMPLEMENTATION RESPONSIBILITY		TARGET DATE
				MAIN ENTITIES	SUPPORT ENTITIES	
			2. Number of mutual projects.			
OBJECTIVE 6 <u>Optimization of number & size of RSOOs</u>	Efficiency	Streamline the number and size of RSOO by merging RSOOs based on AFI RSOO Study released in 2025, where applicable.	Optimum number of RSOOs in the AFI region.	State RSOO	REC AFCAC ICAO	After 2035
MONITORING AND EVALUATION						
REPORTING		Assess long-term impact of harmonisation, resource-sharing, and RSOO structural optimisation across the AFI Region. 1. Commission an independent impact assessment of RSOO performance post-consolidation and optimisation. 2. Regular review of region-wide harmonisation indicators. 3. Publish AFI-wide RSOO effectiveness reports and lessons learned.	1. Completion of the independent assessment study. 2. Publication and dissemination of regional RSOO performance reports. 3. Number of RSOO mergers or optimisation outcomes successfully implemented.	AFCAC ICAO REC	RSOO STATES PARTNERS	End of 2040 and every five years after.
