**Subject: Nomination of State Focal Points for the Submission of Data to the ESAF
Dashboard on Implementation of ASBU Elements**

Action required: To nominate a Focal Point and Alternate Focal Point by 31 August 2024

Dear Sir / Madam,

I wish to refer to the State Letter ES AN 1/6-0401 dated 11 July 2024, inviting States to a virtual workshop to raise awareness on the features of the new ESAF ASBU Implementation Dashboard platform.

To facilitate the collection of data from the States, I am inviting you to nominate a Focal Point and Alternate Focal Point who will be responsible for submitting data on the Dashboard for the AIM, AOP, ATM, CNS, MET and SAR areas. The focal points are critical and play an important role in the reporting and monitoring of the status of implementation of ASBU elements for your State. Their role in coordinating data collection among national stakeholders contributes to the overall success of this endeavour.

In view of the above, your Administration is invited to complete the attached forms no later than **31 August 2024** and return them by email to icaoesaf@icao.int.

Yours sincerely,

for: Lucy Mbugua
Regional Director
