6 Did You Know... Travel and Tourism

International Airports - Any airport designated by the Contracting State in whose territory it is situated as an airport of entry and departure for international air traffic, where the formalities incident to customs, immigration, public health, animal and plant quarantine and similar procedures are carried out. Must have an international traffic of at least 10 traffic units performed per year.

International Passenger Traffic - The total number of international passengers, on both scheduled and charter services, at international airports located on the territory of your State.

International Cargo Traffic - The total volume of freight shipped to and from international airports located on the territory of your State.

National Airlines with International Services - Any duly registered and certificated air transport enterprise in your State and that operates scheduled or charter international air services to any other State. Must have an international traffic of at least 10 traffic units performed per year.

Foreign Airlines - Any duly registered and certificated air transport enterprise from any other State and that operates scheduled or charter international air services to your State (for statistical purposes, cabotage flights should be considered as traffic performed in the reporting State). Must have a total traffic of at least 10 traffic units performed per year in the reporting State.

5 Preparing for Tomorrow

You are invited to indicate how your State is "Preparing for Tomorrow" in terms of your tourism and/or air transport industries. For layout and format, please be guided by your contribution to **ICAO STATES TODAY... 70 Years After Chicago** under the title **Quick Facts**. This time, **the MAXIMUM number of characters (letters + spaces) has been increased to 1,100**. Once you have reached this limit, you will not be able to input further and should edit your text to fit the space allotted.

6 Did You Know... Travel and Tourism

This section again allows you to share unique or little know aspects of your State that can be of interest to tourists or business travellers. **The MAXIMUM number of characters (letters + spaces) is 400**. Once you have reached this limit, you will not be able to input further and should edit your text to fit the space allotted.

IMPORTANT – Please also provide the names, telephone numbers and email addresses of persons who can be contacted by **FCM Communications** to coordinate the production of your **free Complimentary Page**.

Please send your free completed **COMPLIMENTARY PAGE** and **PHOTOS** to: info@icaostatetoday.com
