1. INTRODUCTION

1.1 The meeting would like to recall the twenty seventh Meeting of the AFI Planning and Implementation Regional Group (APIRG/26) and the First meeting of the AASPG(AASPG/1).

1.2 PIRGs record their actions in form of Conclusions and Decisions as follows:

- a) Conclusions deal with matters which, in accordance with the Group's Terms of Reference merit directly the attention of States, or on which further action is required to be initiated by the Secretary in accordance with established procedures.
- b) Decisions relate to the internal working arrangements of the Groups and their subsidiary bodies.

2. DISCUSSION

2.1 AASPG/1 adopted 33 Conclusions and Decisions out of which 8 Conclusions and 4

Decisions are applicable to the AAOSG. Progress has been made in the implementation of some of these Conclusions and Decisions.

2.2 During its deliberations, the AASPG/1 meeting recognized and appreciated the progress made so far in the coordination and conduct of AAO/SG activities, including the status of the implementation of Conclusions and Decisions relating to the AAO/SG. The meeting requested the subgroup to fastrack the implementation of the actions agreed upon in form of Conclusions and Decisions and called on States and Organizations to effectively carry out implementation of the same.

2.3 Notable improvement in the data collection and reporting has contributed to the updating of the status of implementation of the Conclusions and Decisions. Nonetheless, there is still need for States and Organizations to enhance the pace of reporting in order to provide more current information.

2.4 The Status of implementation of the Conclusions and Decisions is presented in **Appendix A** to this Working Paper.
