

DGP/23-IP/2  
8/9/11

## **DANGEROUS GOODS PANEL (DGP)**

### **TWENTY-THIRD MEETING**

**Montréal, 11 to 21 October 2011**

#### **Agenda Item 6: Other business**

#### **PERSONAL COOKING SYSTEMS: CIVIL AVIATION SAFETY AUTHORITY, AUSTRALIA**

(Presented by A. Tušek)

The Directorate of Defence Aviation and Air Force Safety in Australia published the attached poster in response to instances of military personnel carrying Personal Cooking Systems in their baggage. The poster is provided for the information of panel members.

# TAKE NOTE

**JETBOIL** Personal Cooking Systems (PCS) contain a 'jetpower' fuel can, containing a **PROPANE/ISOBUTANE** mixture.

**THIS IS ILLEGAL TO CARRY ON AN AIRCRAFT**

Be aware of this item when carrying out DG checks on webbing and field packs.

ALL ITEMS WITHIN CUP
