

## **Michael Rossel - Bio**

Michael Rossell has been the United Kingdom Permanent Representative and Council member at ICAO since September 2006. He is the Chairman of the ICAO Council Finance Committee and is an active member of its other Committees and working groups.

Previous positions at the UK Department for Transport have included a three year attachment to the Aviation Directorate of the European Commission and Transport Attaché at the UK Permanent Representation to the European Union in Brussels, where he worked on a wide range of transport issues including aviation safety, security and environmental protection.

He has been involved with aviation since 1994, when he was awarded a Fulbright Fellowship to study airline deregulation in the United States at the University of Minnesota's Hubert H. Humphrey Institute of Public Affairs.
