

JUNE/JULY 2012

Dear Colleagues,

It is our pleasure to share this first Newsletter with you. In this and upcoming issues, the TRAINAIR *PLUS* team will provide you with useful information on our vision, objectives and actions.

The newsletter will be distributed periodically exclusively to Associate and Full Members. We promise to keep the newsletter succinct and offer pertinent news items that will benefit your training centre. These items will include:

- Programme membership status;
- The TRAINAIR *PLUS* e-Management System and its updated features;
- New Programme features, projects and activities;
- Calendar of events;
- ICAO Training news; and
- Staff information.

If you wish to add staff members of your training centre to the mailing list, please contact us at: trainairplus@icao.int providing first and last name, title and email address.

TRAINAIR PLUS e-Management System (TPeMS).

The TRAINAIR PLUS e-Management System is in its final testing stages and should be available for your use during the month of June. The TPeMS is designed to organize the roster of course development processes, training programs and qualified instructors, assessors, and evaluators. All these features will be located in one easily accessible, easy-to-use, online platform that allows you to exchange STPs, host courses and navigate the membership and STP development process quickly and conveniently. Stay tuned for the official launch date.

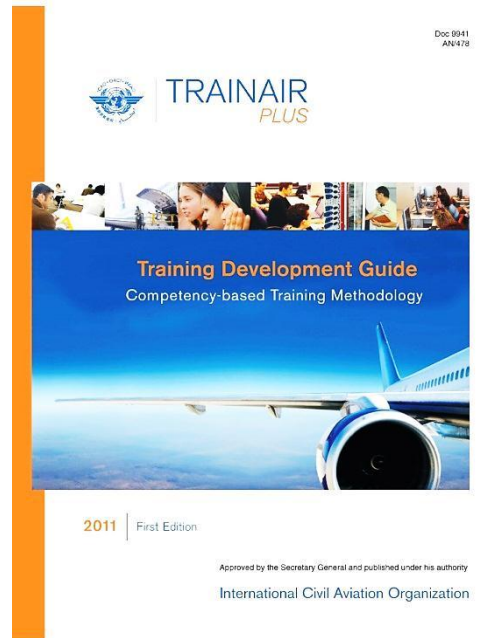

Training Developers Courses (TDC)

Several TDCs will be held soon. This is the ideal way to train your course developers to design and develop Standardized Training Packages (STPs) based on TRAINAIR PLUS competency-based training standards. Interested candidates can register by [clicking here](#).
