Priority for TRAINAIR PLUS Members in the upcoming ICAO Training Report

Edition #4 of the ICAO Training Report is available online. You may [click here](#) to read it.

In September 2013, the 38th Session of ICAO's Assembly will be convened at ICAO Headquarters in Montreal, Canada. There is traditionally a high demand for ICAO publications during the triennial Assembly, as ICAO's Contracting States and industries require more information on anticipated issues. As a UN body, ICAO accepts limited advertising content in its publications; however, priority will be given to TRAINAIR PLUS Members.
