Comprehensive Regional Implementation Plan for Aviation Safety in Africa

Ref.: ACIP/AVMED/047

12 August 2009

Subject: Aviation Medicine Seminar
Kigali, Rwanda, 13 – 16 October 2009

Action required: Notify the names of your
Representatives by no later than 30 September 2009

Sir/Madam,

I have the honour to inform you that as part of the AFI Comprehensive Implementation Programme (ACIP), ICAO is organizing an Aviation Medicine Seminar in Kigali, Rwanda, from 13 to 16 October 2009 at the kind invitation of the Government of the Republic of Rwanda. The workshop is designed for aviation doctors in the AFI Region.

The seminar aims at providing aviation doctors with a thorough understanding of ICAO medical requirements contained in Annex 1 and Doc. 8984 of the Manual of Civil Aviation Medicine and application of safety management principles in aviation medicine. The topic of pandemic preparedness planning in the aviation sector will also be covered.

The seminar will be conducted in English and French. The agenda and information bulletin containing general information will be forwarded to registered participants in due course. More information can be obtained on the ACIP website at <http://www2.icao.int/en/acip>.

You are kindly requested to indicate whether your State will participate in the event by completing and forwarding the attached registration form as early as possible and no later than **30 September 2009**. A form should be completed for each participant and early registration will allow participants to be provided with additional information and assistance with regard to entry visas, if necessary, and other administrative requirements.

Accept, Sir/Madam, the assurances of my highest consideration.

Haile Belai
Chief, ACIP
