Subject: Proficiency in the English language used for radiotelephony communications

Dear Mr. Benjamin,

With reference to Resolution A37-10 – Proficiency in the English language used for radiotelephony communications and your letter AN 12/44.6-11/1 dated 21 January 2011 on the above mentioned subject, we would like to inform you about compliance with the ICAO requirements for language proficiency. The Slovak Republic fully implemented these requirements to 5 March 2008 and therefore no update to implementation plan has been needed since that date.

Please accept the assurances of my highest consideration.
