

Mr. BATDARI Namkhajantsan has served as the Chief Commercial Officer of MIAT Mongolian Airlines since 2022. With a solid foundation in aviation, he has held several significant roles within MIAT, including Head of Business Planning, Senior Officer of Strategic Planning, Flight Crew Training Specialist, and Pilot. He also contributed as a Market Analyst and Advisor at CIT Aerospace, providing valuable expertise in market dynamics.

---

Mr. Batdari holds an MBA from Embry-Riddle Aeronautical University and a Bachelor's degree in Computer Science from the Mongolian University of Science and Technology. He is a professional pilot, certified by Delta Connection Academy.

In his leadership positions, he has overseen key areas such as fleet planning and aircraft acquisition, network planning, and schedule optimization, as well as sales and marketing strategy development. He was instrumental in increasing passenger traffic through Ulaanbaatar by effectively utilizing sixth freedom rights and enhancing airline partnerships to expand fifth freedom opportunities for passengers.

Under his tenure as Chief Commercial Officer, MIAT achieved substantial commercial growth, with passenger sales doubling and cargo sales increasing fourfold. His strategic vision and operational expertise continue to drive the airline's growth and connectivity in a competitive market.
