

---

Mr. BATBOLD Sandagochir began his career in 1992 as Deputy Commander for Technical Affairs of a company within Military Unit 133 of the People's Army. He later expanded his professional experience in the private sector between 1993 and 2005, working as a transport mechanical engineer, instructor, and director.

---

In 2005, Mr. Batbold joined public service, serving as Senior Engineer and later Head of the Inspection Department at the Transport Service Center under the Ministry of Road, Transport and Tourism (2005–2009). He subsequently became Head of the Inspection Division of the Road Transport Authority (2009–2012). From 2012 to 2016, he served as Senior Officer at the Ministry of Road and Transport, followed by his appointment as Director of the Road Transport Policy Implementation and Coordination Department of the Ministry of Road and Transport Development (2016–2019). Since January 9, 2019, Mr. Batbold has been serving as the State Secretary of the Ministry of Road and Transport Development of Mongolia.

In pursuit of academic excellence, Mr. Batbold graduated from the Military University in 1992 with a degree in Automotive Engineering, from the Academy of Management in 2000, and from the Intelligence University in 2006 with a degree in Law. In 2011, he earned a Master's degree from the National Defense University of Mongolia and enhanced his expertise in safe driving techniques through advanced training in the Republic of Korea the same year. He holds the title of Certified Consulting Engineer of Mongolia.

Mr. Batbold has extensive experience in transport sector leadership, policy implementation, and organizational management. His career reflects dedication to improving Mongolia's road transport systems, regulatory oversight, and transport safety, with a focus on efficiency and modernization.
