4 September 2023

Subject: Procedure Design Webinar (GBAS/SBAS)

(Virtual classroom, 9 November 2023)

Action required: Please respond for registration by **24 October 2023**.

Sir/Madam,

I have the honor to inform you that the ICAO Asia-Pacific Flight Procedure Programme (APAC FPP) will conduct the Procedure Design Webinar (GBAS/SBAS) in a virtual classroom via Microsoft Teams on 9 November 2023.

The webinar covers basic flight procedure design criteria and operational examples of GBAS/SBAS. The experience of GBAS/SBAS flight procedure design and operation will be shared through real cases from Australia, China and France.

States/Administrations are cordially invited to nominate participants for attendance at the Procedure Design Webinar (GBAS/SBAS). As the webinar will be conducted in English, participants should have adequate communication skills in English. The Webinar is most beneficial for flight procedure designers and professionals in the field of GBAS/SBAS and there is no limit to the number of participants.

I would kindly request that States/Administrations nominate participant(s) by registering for the webinar **no later than 24 October 2023**. Please kindly complete online registration(s) of nominee(s) via the link, <https://www.icao.int/APAC/Meetings/Pages/2023-GBAS-SBAS.aspx>. Participants could obtain meeting materials after the commencement of the webinar through the FPP website, <https://www.icao.int/apac/apac-fpp/Pages/default.aspx>.

Accept, Sir/Madam, the assurances of my highest consideration.

Yours sincerely,

Tao Ma
Regional Director
