30 August 2024

Subject: FPP RNP AR Workshop
(Beijing, China, 18 - 22 November 2024)

Actions required: Please respond for registration by **18 October 2024**

Sir/Madam,

I have the honor to inform you that the ICAO Asia-Pacific Flight Procedure Programme (APAC FPP) will conduct the RNP AR Workshop from **18 to 22 November 2024** at ICAO APAC Regional Sub-Office (RSO), Beijing, China.

The workshop covers underlying principles and procedure design criteria of RNP AR Approach as laid down in ICAO Required Navigation Performance Authorization Required (RNP AR) Procedure Design Manual Doc.9905. In this workshop the theoretical sessions will be followed by practical exercise for the implementation of the criteria.

States/Administrations are cordially invited to nominate participants for attendance. In view of the requirements for the online attendance, limited seats could be offered for online participants via Microsoft Teams. Please note that online participants will be merely attending the workshop with no certificate of completion as this workshop primarily emphasizes in-person instruction, with online components provided as supplementary. Therefore, we strongly recommend that participants could attend the workshop in person. The RNP AR workshop will be free of charge to APAC FPP members. However, the trainees' State/Administration is expected to fund their travel, accommodation and living expenses. As the workshop, including all materials, will be conducted in English, participants should have adequate communication skills in English.

Enclosed herewith are the Tentative Agenda (Attachment A), the registration form (Attachment B) and the Workshop Bulletin (Attachment C). I would kindly request that States/Administrations nominate participant(s) by registering for the workshop **no later than 18 October 2024** to allow sufficient time to prepare for visa application. Kindly complete the attached Registration Form and submit to Ms. Linling Huo by email: hlinling@icao.int, tel. +86 (10) 64557177, fax +86 (10) 64557164.
