6. General Information of the Airports

6.1 Beijing Capital International Airport (IATA: PEK, ICAO: ZBAA), is the main international gateway to China consisting of 3 passenger terminals. Beijing Capital International Airport is located at Chaoyang District, Beijing, about 25km northeast of the city center and very close to the ICAO APAC RSO.

6.2 Beijing Daxing International Airport (IATA: PKX, ICAO: ZBAD), is another main international gateway to China consisting of one passenger terminal located along the border between Daxing District, Beijing and Langfang City, Hebei Province, about 53 km south of the downtown Beijing and 76km southwest of Beijing Capital International Airport.

7. Passport, visa and customs formalities

- 7.1 For entry into China, all visitors must hold a passport valid for at least 6 months or other valid travel documents.
- 7.2 To check whether you are required to obtain a visa as well as the customs formalities, please visit the website: [Chinese Embassies \(fmprc.gov.cn\)](http://fmprc.gov.cn) to find the official website address/email address/phone number of Chinese Embassy in your country.
- 7.3 According to the information we have so far, some countries request the invitation letter with bar code. If participants need above files, please feel free to reach out to FPP, we will be willing to provide assistance.

8. Other Useful Information

8.1 Payment services and exchange in China

The RMB(CNY) is the local currency used in China. The current exchange rate is USD 1 equivalent to CNY 7.20. Cash or bank cards such as UnionPay, Visa, American Express, and Mastercard are acceptable by the hotels and all the stores in the shopping malls, but the most commonly used payment methods are mobile payment such as Weixin pay and Alipay.

Please follow steps below for mobile payment.

- (1) Search for Alipay or WeChat in the app store or its official website, and download the app.
- (2) Open the app, and register with your phone number or just sign in if you have already registered.
- (3) Add bank cards. Visa, Mastercard, JCB, Diners Club, and Discover cards can all be added to Alipay/ Weixin Pay.
- (4) Pay by scanning QR code. You can pay by scanning a merchant's QR code(method 1) or by having a merchant scan yours(method 2).

If you need cash, you can withdraw RMB cash with your bank card at an ATM with logos of the corresponding bank card organizations. There are money exchange companies at the Beijing Capital International Airport and Beijing Daxing International Airport and commercial banks next to RSO office, where you can exchange your money.

8.2 Time Difference

China is 8 hours ahead of Coordinated Universal Time (UTC +8).

8.3 Weather

Beijing is very cold in November, especially at night. Daytime temperatures usually reach 10°C in Beijing and fall to -2°C at night.

8.4 Electric Plug and Socket

Electric voltage is 220V, 50 Hz, AC in China. Two-pin plug and three-flat-pin plug are commonly used. We suggest you bring a universal travel adapter plug to charge your laptop and mobile electronic devices.
