Subject: Fifteenth Meeting of the ICAO Aeronautical Information Services – Aeronautical Information Management Implementation Task Force (AAITF/15) (Bangkok, Thailand, 01 – 05 June 2020)

Action required: To reply by 15 May 2020

Sir/Madam,

I am pleased to invite your Administration to participate in the Fifteenth Meeting of the ICAO Aeronautical Information Services – Aeronautical Information Management Implementation Task Force (AAITF/15) which will be held at the ICAO Asia/Pacific Regional Office, Bangkok, Thailand from 01 – 05 June 2020.

Enclosed herewith are the Provisional Agenda (**Attachment A**), Registration Form (**Attachment B**) and Meeting Bulletin (**Attachment C**). I am requesting that you kindly provide the name(s) of the delegate(s) from your Administration who will be attending the meetings by **Friday 15 May 2020**.

Continuing recent practice for AAITF meetings, an AIM Seminar will be included in the meeting programme on Monday 20 May. A seminar programme will be made available in due course.

In order to make the meeting more productive and effective, it is strongly urged that States/International Organizations submit papers and seminar presentations to the meeting **no later than two weeks prior to the meeting date**, via email to the Regional Office. In the event that papers are received after **Friday 15 May 2020**, these will normally be treated as a flimsy. Participants should obtain meeting materials prior to the commencement of the meeting from the ICAO Regional Office website at <http://www.icao.int/APAC/Meetings/Pages/default.aspx>.

States are also reminded of **Conclusion ATM/SG/7-16: Amendment to the Regional Plan for Collaborative AIM**, which *inter alia* discontinued reporting against the AIM Transition Table, and urged States to report AIM implementation progress using the revised Regional AIM Implementation Status Reporting Form, at least once annually, by not later than 30 April each year. AIM implementation progress reported by States will be reported to AAITF/15.

2/...

States and Administrations should come prepared to the meeting to provide a documented status report on the implementation of the following matters, which will require internal research and the readiness of the meeting participants:

- 1) Asia/Pacific Regional Plan for Collaborative AIM monitoring elements - Regional *AIM Plan* Monitoring and Reporting Form; and
- 2) ANS Deficiencies – each deficiency relevant to the meeting to have an update on the implementation of any corrective actions.

The Regional AIM Plan Monitoring and Reporting Form (*Asia/Pacific Plan for Collaborative AIM Appendix D*) for reporting Collaborative AIM monitoring elements is available in MS Excel format on the ICAO Asia/Pacific Regional Office eDocuments web page at <https://www.icao.int/APAC/Pages/edocs.aspx>.

Please note that the status updates should not be provided by ad hoc working or information papers, but will be requested State-by-State when the meeting reaches the relevant agenda item. However, if the status report is available well before the **Friday 15 May 2020** Working Paper cut-off date, then States and Administrations are encouraged to send this data to the meeting Secretariat so this can be included in the relevant ICAO Working Paper.

Finally, the Regional Office would like to encourage States to consider commencing research for, and development of papers for the meeting, as soon as possible, after receiving this invitation. In past years, papers have often been received late because some States wait until the participants have been selected, rather than developing well-researched papers collectively, within their organizations.

Yours sincerely,

Arun Mishra
Regional Director
