# Background

## CART REPORT RECOMMENDATION 10:

Member States should consider appropriate extraordinary emergency measures to support financial viability and to maintain an adequate level of safe, secure and efficient operations, which should be inclusive, targeted, proportionate, transparent, temporary and consistent with ICAO's policies, while striking an appropriate balance among the respective interests without prejudice to fair competition and compromising safety, security and environmental performance.

**Presenters : ICAO Air Transport Bureau  
& Asian Development Bank**

**What to  
Expect**
