

ICAO

COUNCIL AVIATION RECOVERY TASK FORCE (CART) Phase II - working method, deliverables and associated timelines

ICAO Secretariat

CART Phase II Update

- Focus on addressing high priority issues and streamline the interactions between CART and CAPSCA
- Deliverables (by end October 2020) in the form of:
 - an updated text in the “Take-off” guidance document;
 - a preamble calling attention on some aspects;
 - a possible companion document; and
 - an oral report to the Council concerning the deliverables above and the next step if any
- 3 (three) working groups created
- Rapporteurs of WG1, WG2 and WG3 - United States, Singapore and Colombia, respectively;
- Deadline of end October 2020 to complete the deliverables of “ CART Phase II”
- CART/7 - Virtual meeting, Tuesday, 15 September 2020
- 8th meeting of CART (CART/8) would be held on Tuesday, 6 October 2020 ; and
- 9th meeting of CART (CART/9) would tentatively be held on Thursday, 29 October 2020.

Sub-groups Work

- (WG1) - specifically focusing on aspects related to public health risk management, testing regimes and quarantine;
- (WG2) addressing other possible updates of the “Take-off” guidance document, such as the unresolved issues raised by Council Members and feedback from States on implementation (ATS, Business & General Aviation, Personal Mental Health Issues)
- (WG3) addressing strategic issues (such as advice on priorities for the continuation of CART activities beyond “Phase II”)
