Dear Mr. Shum,

On behalf of the International Civil Aviation Organization (ICAO), I would like to extend my sincere appreciation to the Civil Aviation Authority of Singapore for its generous contribution of USD 15,000, allowing ICAO to develop and implement the Location of an Aircraft in Distress Repository (LADR), through the Safety Fund (SAFE).

Your support and contributions to fund ICAO programmes will significantly assist the Organization in its work on aviation safety, thereby enabling a number of States to build their safety oversight capacity. We look forward to your continued future support.

Yours sincerely,

Fang Liu
