**Subject:** Eighth Meeting of the Air Traffic Management Sub-Group (ATM/SG/8) of APANPIRG (*Bangkok, Thailand, 17 – 21 August 2020*)

**Action required:** To reply by **31 July 2020**

Sir/Madam,

I am pleased to invite your Administration to participate in the Eighth Meeting of the Air Traffic Management Sub-Group (ATM/SG/8) of APANPIRG which will be held at the ICAO Asia/Pacific Regional Office, Bangkok, Thailand from 17 – 21 August 2020.

Enclosed herewith are the Provisional Agenda (**Attachment A**), Registration Form (**Attachment B**), and Meeting Bulletin (**Attachment C**). I am requesting that you kindly provide the name(s) of the delegate(s) from your Administration who will be attending the meetings by **Friday 31 July 2020**.

In order to make the meeting more productive and effective, it is strongly urged that States/International Organizations submit papers to the meeting **no later than two weeks prior to the meeting date**, via email to the Regional Office. In the event that papers are received after **Friday 31 July 2020**, these will normally be treated as a flimsy. Participants should obtain meeting materials from the ICAO Regional Office website at <http://www.icao.int/APAC/Meetings/Pages/default.aspx> prior to the commencement of the meeting.

States and Administrations should come prepared to the meeting to provide a documented status report on the implementation of the following matters, which will require internal research and the readiness of the meeting participants:

- 1) *Asia/Pacific ATS Route Catalogue* – ATS route proposals relevant to the meeting – each route proposal to be updated, especially in terms of priority; for reference, please see the Asia/Pacific Region ATS Route Catalogue version 17 at <https://www.icao.int/APAC/Pages/edocs.aspx>; and
- 2) Regional *ATFM Plan* Monitoring and Reporting Form;

2/...

- 3) Regional *ATM Contingency Plan* Monitoring and Reporting Form;
- 4) Regional *AIM Plan* Monitoring and Reporting Form;
- 5) Regional *SAR Plan* Monitoring and Reporting Form;
- 6) ANS Deficiencies – each deficiency relevant to the meeting to have an update on the implementation of any corrective actions; and
- 7) National Air Navigation Plan (NANP) in accordance with the requirements of the Regional Air Navigation Plan.

Please note that the status updates should not be provided by ad hoc working or information papers, but will be requested State-by-State when the meeting reaches the relevant agenda item. However, if the status report is available well before the **Friday 31 July 2020** Working Paper cut-off date, then States and Administrations are encouraged to send this data to the meeting Secretariat so this can be included in the relevant ICAO Working Paper.

Finally, the Regional Office would like to encourage States to consider commencing research for, and development of papers for the meeting, as soon as possible, after receiving this invitation. In past years, papers have often been received late because some States wait until the participants have been selected, rather than developing well-researched papers collectively, within their organizations.

Yours sincerely,

Arun Mishra  
Regional Director
