29 July 2020

To: COSCAP SEA Programme Member States

Subject: Development of UAS Integration Rules
(Zoom Webinar, 15 September 2020, 08:00 – 10:00 hrs., Bangkok time)

Dear Sir/Madam,

I am pleased to invite your Administration to nominate participants to attend the “Development of UAS Integration Rules” Webinar to be held via Zoom platform on 15 September 2020. This webinar will be organised with the support of the United States Federal Aviation Administration (FAA) to assist the Member States and is prioritised for the South East Asia region, and included in the Work Plan approved by the COSCAP SEA Steering Committee.

The purpose is to discuss UAS integration best practices, for example FAA subject matter experts will share best practices that contributed to U.S. development of UAS integration rules, UAS use cases and best practices for safely and securely managing UAS users through innovative UAS Traffic Management (UTM) concepts.

The Webinar provisional programme and participant registration form are attached. There is no participant registration fee. The event information and material will be available on the ICAO APAC Regional Office website meetings page: <https://www.icao.int/APAC/Meetings/Pages/default.aspx>. The webinar will be hosted by U.S. FAA on Zoom. Please note that each participant will require a computer with Multimedia and good internet service to participate in this event.

The Webinar can accommodate a maximum of **60 participants, 5 from each Member State of the COSCAP SEA Programme**. We invite your State’s civil aviation regulator and air navigation service provider to join in the webinar, which will also feature participation from a COSCAP SEA Member State to share a regional perspective on UAS integration. We recommend that participants are drawn from personnel having appropriate technical backgrounds in UAS and holding responsibility for UAS integration.

Please submit completed registration form by **1 September 2020** to reserve the allocated slots for the event. Following that date, the remaining slots for the webinar will be allocated on a first come first served basis to any COSCAP SEA Member State. Accepted participants will receive the webinar link and access guidelines.

Should you require further information or any assistance, please contact the COSCAP SEA Administrative Assistant, Ms. Sudhatai Juntarapratin at sjuntarapratin@icao.int.

Yours sincerely,

Susantha De Silva
Regional Officer, Safety Implementation,
Interim – Chief Technical Advisor,
COSCAP SEA Programme.
