Sir/Madam,

Your Administration is invited to participate in the Asia/Pacific COVID-19-Related Air Traffic Management (ATM) Economics Seminar, to be held by Video Teleconference (VTC) on **18 September 2020**. The seminar will focus on economics-related areas which can assist the recovery of air transport operations during and after the COVID-19 pandemic, with examples of best practice that may be considered and how that connects to overall government response.

The seminar is expected to include presentations from Asia/Pacific Air Navigation Service Providers (ANSPs), IATA and ICAO on the subjects of:

- Drivers for Economic Change;
- National Air Navigation Planning; and
- Aviation Industry Engagement.

ANSP managers and government officials responsible for ATM operational (strategic) and financial planning are strongly encouraged to participate. Participants should complete online registration **not later than 15 September 2020** at <https://www.icao.int/APAC/Meetings/Pages/default.aspx>.

VTC invitations will then be sent by email to all registered participants. As the seminar is limited to a maximum of 250 participants, early registration is recommended.

Yours sincerely,

Arun Mishra
