Ref.: T 3/15.1 – AP191/20 (ATM)

16 September 2020

Subject: Postponement of the COVID-19-Related ATM
Economics Seminar

Action required: Please register not later than **05 October 2020**

Sir/Madam,

I refer to ICAO State Letter AP175/20 dated 01 September 2020, inviting your Administration to participate in the Asia/Pacific COVID-19-Related Air Traffic Management (ATM) Economics Seminar, which was scheduled to be held by Video Teleconference (VTC) on 18 September 2020.

Due to low numbers of registrations received, and in particular the lack of registration of government officials responsible for financial planning for ATM and related Air Navigation Services (ANS), the seminar has now been postponed to **08 October 2020**. The seminar will tentatively be held from 0300 to 0600 UTC on that date.

The seminar is intended to focus on economics-related areas which can assist the recovery of air transport operations during and after the COVID-19 pandemic with examples of best practice that may be considered and how that connects to overall government response.

The seminar is expected to include presentations from Asia/Pacific Air Navigation Service Providers (ANSPs), CANSO, IATA and ICAO on the subjects of:

Drivers for Economic Change;

National Air Navigation Planning; and

Aviation Industry Engagement.

In addition to ANSP managers and other officials responsible for strategic ATM operational planning, **government officials having responsibility for State financial policy and planning for ANS provision during the post-pandemic recovery of the aviation industry are strongly encouraged to participate**. Participants should complete online registration **not later than 05 October 2020** at <https://www.icao.int/APAC/Meetings/Pages/default.aspx>. Instructions for online registration are provided in the **Attachment**. Participants who have already registered for the seminar do not need to submit any additional registration.
