Video Conferencing
(Bangkok, Thailand, 12-15 May 2020)

Action Required: Take necessary action and nominate participant(s) by 30 April 2020

Dear Sir/Madam,

I wish to refer to APAC State Letter Ref.: T 8/5.11 – AP032/20 (CNS) regarding the postponement of Mode S DAPs WG/3 to 28 – 30 April 2020. Considering the current situation and developments with regard to the COVID-19 outbreak and the consequent restrictions on travel in the APAC Region, the ICAO Secretariat has decided *to host the meeting via video conferencing from 12 – 15 May 2020.*

To ensure effectiveness and efficiency of conducting the meeting by video conferencing, the Secretariat and Chair of the meeting has agreed to discuss and present only the working papers during the online sessions, particularly, on *Agenda Items 6 and 7 i.e. covering the core issues of Roadmap on Mode S DAPs and Guidance Material of implementation of Mode S DAPs* which are the expected main outcomes of the meeting. The information papers which are received for the meeting would be uploaded on the meeting web page for the information of all meeting participants and may be referred by the Secretariat, as necessary.

All registered participants will receive an email directly from the Secretariat of the meeting with the “*join meeting*” invitation link and appropriate instructions about a week before the meeting date. The tentative order of business is attached to this letter for your information.

I shall be grateful if your Administration could take advantage of the aforementioned video conferencing meeting and nominate participant(s) to join the meeting.

Yours sincerely,

Arun Mishra
Regional Director
